Post-Graduation Possibilities
Bachelor of Public Health

(Applicable to Bachelor of Health Science in Health Science students)

Deciding what to do after graduation can be a difficult decision. Graduate school, work force, or alternative options are all there – but which to choose? This handout provides a brief overview of different options for a recent graduate of the Public Health & Health Sciences program. The information in this handout is not comprehensive, however, it provides a variety of options our office has encountered through working with students, speaking to professionals, and researching online.

Position Titles
