Post-Graduation Possibilities
Bachelor of Health Science in Health Science

Deciding what to do after graduation can be a difficult decision. Graduate school, work force, or alternative options are all there – but which to choose? This handout provides a brief overview of different options for a recent graduate of the Health Sciences program. The information in this handout is not comprehensive, however, it provides a variety of options our office has encountered through working with students, speaking to professionals, and researching online.

Job Search Words:

Varying the words you use to describe a job will help expand your job search. A similar position at three different companies can be labeled differently (i.e. Manager, Coordinator, and Director). Below are a few different job search terms to consider.

- Administrator
- Advocate
- Assistant
- Consultant
- Coordinator
- Counselor
- Delivery
- Development
- Director
- Educator
- Entry-Level*
- Executive
- Fitness
- Graduate
- Health Services
- Human Services
- Instructor
- Manager
- Operations
- Outreach
- Processor
- Professional
- Program
- Relations
- Representative
- Sales
- Specialist
- Supervisor

*Entry-Level is a great term to use in your job search when you are a new graduate
