University of Missouri
Clinical Laboratory Sciences
Application Checklist

Did you remember to:

☐ Return a completed and signed application to
SHP Student Service Offices
101 Lewis Hall
University of Missouri
Columbia MO 65211-4230
Attention: Cason Jones

☐ Mail application essay with your completed application

☐ Send official transcripts of completed college work from every
school attended other than the University of Missouri to the
above address

☐ Ask two (2) people to provide a reference and send directly to
address above – cannot be a relative, preferably one from
school and one from a work setting. Those from a clinical lab
or setting are best (school or work).

☐ Submit formal application to University of Missouri (if you are
not currently a student at MU)

☐ Make advising appointment with Cason Jones to verify your
educational progress
