Looking Behind the Curtain: Alternative Outcomes for School-Age Therapy for Stuttering
Mathew Krause, MHS, CCC-SLP Adjunct Professor

Bilingualism and Aphasia Reveal a Link between Production Fluency and Spoken Word Recognition
Roxana Botezatu, PhD, CCC-SLP Assistant Professor

Is There an App for That? How to Choose and Use iPads and Apps for Speech & Language Therapy
Christi Baker, MS, CCC-SLP Assistant Clinical Professor

Best Practices in Outplacement Supervision: A Panel Discussion

Featuring Shara Burke, MHS, CCC-SLP (Columbia Public Schools), Amy Marrero, MS, CCC-SLP (Columbia Public Schools ECSE), Tori Sisson, MA, CCC-SLP (Rusk Rehabilitation) and Edie Stark, MHS, CCC-SLP (Columbia Public Schools). Moderated by Leanna Lawrence, MU Speech & Hearing Clinic Director & Associate Clinical Professor.

Please contact MU NSSLHA advisor, Dana Fritz (fritzd@health.missouri.edu) or 573.884.7538) for more information or check out our Update webpage link at shp.missouri.edu/csd.

New Perspectives
A Day of Learning Highlighting Our Newest MU CSD Faculty Members & Expert Outplacement Supervisors

The MU Chapter of the National Student Speech Language Hearing Association is proud to host our 26th Update Seminar. Please join us for this multifaceted day-long seminar, meet our newest CSD faculty members and hear about their research interests as well as their ideas for practical application of this cutting-edge information. We are also proud to include perspectives regarding best practices in supervision from a few of our long-time and knowledgeable outplacement supervisors.

Please contact MU NSSLHA advisor, Dana Fritz (fritzd@health.missouri.edu) or 573.884.7538) for more information or check out our Update webpage link at shp.missouri.edu/csd.

This course is offered for up to 60 ASHA CEUs (Intermediate level, Professional area).
About Our Presenters

**Mathew Krause** is an Adjunct Professor in the Department of Communication Science and Disorders at the University of Missouri and a Board Certified Specialist in Fluency. He has been a speech-language pathologist for almost 20 years, and has been in private practice for 13 years specializing in working with children and adults who stutter. He has presented at multiple conferences on topics related to fluency disorders. He is also a person who stutters.

*Disclosures*
Financial: Mr. Krause owns a private practice and receives a salary as a faculty member of the Department of Communication Science and Disorders, University of Missouri.
Nonfinancial: No relevant nonfinancial relationship exists.

**Dr. Roxana Botezatu** is an Assistant Professor in the Department of Communication Science and Disorders at the University of Missouri. Dr. Botezatu received her Ph.D. in Communication Sciences and Disorders from the Pennsylvania State University and completed a post-doctoral fellowship in Cognitive Neuroscience and Neurorehabilitation at Moss Rehabilitation Research Institute and Drexel University. Her research focuses on the cognitive mechanisms underlying word recognition and production in adults with aphasia and learners of a second language (L2) and on individual differences in L2 learning success.

*Disclosures*
Financial: Dr. Botezatu receives a salary as a faculty member of the Department of Communication Science and Disorders, University of Missouri.
Nonfinancial: Dr. Botezatu serves as a consultant at Moss Rehabilitation Research Institute and as a website manager for the Academy of Aphasia. Both are unpaid positions.

**Christi Baker** is an Assistant Clinical Professor in the Department of Communication Science and Disorders at the University of Missouri. Christi has 20 years of experience as a practicing speech-language pathologist having had the opportunity to work in a variety of settings focusing on the pediatric population, including hospital and early childhood settings as well as elementary schools.

*Disclosures*
Financial: Ms. Baker receives a salary as a faculty member of the Department of Communication Science and Disorders, University of Missouri.
Nonfinancial: No relevant nonfinancial relationship exists.

**Shara Burke** has been a speech-language pathologist for eleven years at Fairview Elementary in Columbia, Missouri, and has supervised more than 20 graduate students in clinical outplacements.

*Disclosures*
Financial: Ms. Burke receives a salary as an employee of Columbia Public Schools.
Nonfinancial: No relevant nonfinancial relationship exists.

**Amy Marrero** has been a speech-language pathologist for eight years in Columbia Public Schools (CPS) Early Childhood Education and in the CPS Early Childhood Special Education Hearing Impaired Program. She has also worked for Missouri First Steps, Boone County Family Resources and the Moog School for the Deaf in Columbia. Amy has a wealth of experience supervising beginning graduate clinicians as well as undergraduate clinicians in the MU Robert G. Combs Language Preschool. Ms. Marrero works with children ages 3-5 with a variety of
needs such as speech, language, fluency, and hearing impairment/deafness and is honored to be in a field that provides assistance to children in need while providing joy and job satisfaction as an SLP.

Disclosures
Financial: Ms. Marrero receives a salary as an employee of Columbia Public Schools.
Nonfinancial: No relevant nonfinancial relationship exists.

**Tori Sisson** is the Director of Therapy at Rusk Rehabilitation Center in Columbia, Missouri. Tori began her career in the Jefferson City Public School system in 1999. Since then, Tori has worked in acute care, home health and skilled nursing before becoming the Speech Therapy Manager at Rusk in 2003 and then transitioned to the Director of Therapy Operations in 2013. Tori has supervised over 50 students in both Speech Pathology and Administration and mentors new clinical staff on patient experience, patient education and clinical teamwork to positively impact patient outcomes.

Disclosures
Financial: Ms. Sisson receives a salary as the Director of Therapy Operations from Rusk Rehabilitation and as an occasional consultant for MedBridge Inc.
Nonfinancial: No relevant nonfinancial relationship exists.

**Edie Stark** is a Speech Language Pathologist with the Columbia Public Schools (CPS). This is her fourteenth year with CPS. The past two years she has worked exclusively serving the secondary community skills populations. Edie worked in a variety of settings prior to her job at CPS, ranging from early childhood to high school populations. She is also currently working on a PRN basis for Alliance Rehab at Lenoir Woods Senior Living in the REACH Unit.

Disclosures
Financial: Ms. Stark receives a salary as an employee of Columbia Public Schools and Alliance Rehab.
Nonfinancial: No relevant nonfinancial relationship exists.

**Leanna Lawrence** is an associate clinical professor at the University of Missouri. As a speech-language pathologist, she has served as a clinical supervisor in the MU Speech and Hearing Clinic since 2006. Currently, she is clinic director and also teaches the following courses: Issues in Professional Practice, Clinical Observation, and Clinical Methods. Her areas of interest include: child apraxia of speech, language acquisition, stuttering in adults, and efficacy of supervision.

Disclosures
Financial: Ms. Lawrence receives a salary as an employee of the University of Missouri.
Nonfinancial: No relevant nonfinancial relationship exists.
