

Worksheet 7A
Summarizing Characteristics of Research

Citation	Participants	Setting	Measures	Design	Intervention	Findings	Notes
Study 1:							
Study 2:							
Study 3:							
Study 4:							
Study 5:							
Study 6:							

Citation: Put the reference here.
 Participants: List the important characteristics of participants. Setting: Describe the location of the study.
 Measures: List the outcome measures used in the study.
 Design: Describe what type of comparisons or relationships are being tested/studied.
 Intervention: List the most important aspects of the procedures being tested.
 Findings: List the most important outcomes.
 Notes: If you have insights or questions, jot them down.
