

Master of Occupational Therapy (MOT)

Resource Guide: Moberly Area Community College

Prerequisites

Courses listed here meet the prerequisites for the Master of Occupational Therapy (MOT) program. Course equivalencies do not necessarily reflect what other programs at MU consider to be equivalent courses towards a bachelor's degree.

University of Missouri (MU) Course	Minimum Required Hours	Moberly Area Community College Equivalency
Abnormal Psychology	3	PSY 250
General Biology with Lab	3	BIO 101
Human Anatomy with Lab *	3	BIO 205
Human Physiology with Lab *	3	BIO 209
Homan Movement Science * <i>Strong preference for Kinesiology or Biomechanics course. Physics is a third option if first two are not available.</i>	3	PHY 181
Introduction to Statistics	3	MTH 160
Lifespan Human Development	3	PSY 205
Medical Terminology	1 hours, credit or non-credit	HSC 171
Sociology	3	SOC 101

* Must have been completed within 4 years of application. Rare exceptions to this rule will be made on a case by case basis. Both Human Anatomy and Human Physiology can be substituted with a Human Anatomy and Physiology I and II course sequence.

Admission Requirements:

- _____ Completion of an undergraduate degree prior to program start date
- _____ B-minus or better in all prerequisite coursework
- _____ 3.0 GPA on 4.0 scale for all undergraduate coursework
- _____ 20 hours of observation (licensed Occupational Therapist)
- _____ 20 volunteer hours (recommended)

Admission Cycle:

July 1 – January 15

Admitted Class Size:

44 students

Webpage for Prospective Students:

<https://healthprofessions.missouri.edu/occupational-therapy/degree-program/prospective-students/>

Doctor of Physical Therapy

Resource Guide: Moberly Area Community College

Required Prerequisites

Courses listed here meet the prerequisites for the Doctor of Physical Therapy (DPT) program. Course equivalencies do not necessarily reflect what other programs at MU consider to be equivalent courses towards a bachelor's degree.

University of Missouri (MU) Course	Minimum Required Hours	Moberly Area Community College Equivalency
College Chemistry I with Lab	4	PHY 121
College Physics I with Lab	4	PHY 181
College Physics II with Lab	4	PHY 182
General Biology with Lab	4	BIO 101
Human Anatomy with Lab	3	BIO 205
Human Physiology with Lab	3	BIO 209
Introduction to Statistics	3	MTH 160
Medical Terminology	1	MSC 171

* Course requirement effective for applicants in Fall 2020

Admission Requirements:

_____ Completion of an undergraduate degree prior to program start date

_____ C or better in all prerequisite coursework

_____ 3.0 GPA on 4.0 scale for all undergraduate coursework

_____ 40 hours of observation in two types of physical therapy facilities (licensed Physical Therapist)

_____ Reported Graduate Record Exam (GRE) score

Admission Deadline:

September 30

Admitted Class Size:

60 students

Webpage for Prospective Students:

<https://healthprofessions.missouri.edu/physical-therapy-program/degrees/doctor-of-physical-therapy/admission/>

BHS in Communication Science and Disorders

Resource Guide: Moberly Area Community College

Program Requirements

Courses listed here meet the program requirements for the Bachelor of Health Science in Communication Science and Disorders. Course equivalencies do not necessarily reflect what other programs at MU consider to be equivalent courses towards a bachelor's degree.

University of Missouri (MU) Course	Minimum Required Hours	Moberly Area Community College Equivalency
Chemistry or Physics	3	PHY 120, PHY 121 or PHY 181
Child Psychology	3	PSY 201
College Algebra	3	MTH 140
Composition/Exposition	3	LAL 102
General Biology with Lab	4-5	BIO 101
General Psychology	3	PSY 101
Human Language*	3	No Equivalency
Introduction to Statistics	3	MTH 160
Public Speaking	3	SPK 101
Survey of Communication Disorders*	3	No Equivalency

* Human Language and Survey of Communication Disorders may be taken once admitted to the professional phase of the program.

Admissions Requirements:

_____ 2.75 cumulative GPA on 4.0 scale

_____ Composite ACT score of 22 or higher

_____ 42 hours of college credit completed before applying

_____ 60 hours of college credit completed before beginning CSD junior-senior coursework

Note: students with a GPA below 3.0 and/or ACT lower than 22 may still apply and should consider submitting a personal statement and/or resume with their application.

Admission Deadline:

February 1

Admitted Class Size:

50 students

Webpage for Prospective Students:

<https://healthprofessions.missouri.edu/communication-science-and-disorders/degrees/bachelor-of-health-science-csd/>

Resource Guide: Moberly Area Community College

Program Requirements and Prerequisites

Courses listed here meet the program requirements and prerequisites for the Bachelor of Health Science in Clinical and Diagnostic Sciences with an emphasis in Clinical Laboratory Science. Course equivalencies do not necessarily reflect what other programs at MU consider to be equivalent courses towards a bachelor's degree.

Program Requirements

University of Missouri (MU) Course	Minimum Required Hours	Moberly Area Community College Equivalency
College Algebra	3	MTH 140
Composition/Exposition	3	LAL 102
General Psychology	3	PSY 101
Introduction to Statistics	3	MTH 160
Public Speaking	3	SPK 101

Prerequisites

University of Missouri (MU) Course	Minimum Required Hours	Moberly Area Community College Equivalency
Cell Biology	4	No Equivalency
College Chemistry I with Lab	4	PHY 121
College Chemistry II with Lab	4	PHY 122
General Biochemistry or Organic Chemistry II	3	No Equivalency
General Genetics	4	No Equivalency
Immunology	2	No Equivalency
Introduction to Biological Systems with Lab	5	No Equivalency
Introduction to Research	3	No Equivalency
Medical Microbiology and Immunology	4	No Equivalency
Medical Terminology	3	HSC 171
Organic Chemistry I	3	PHY 222 (CHEM 2130 and 2030)
Physiology with Lab	4	BIO 209

Admissions Requirements:

_____ 2.5 cumulative GPA on a 4.0 scale

_____ 2.5 science and math GPA on a 4.0 scale

_____ C- or better in all required course

Admission Deadline:

December 1

Admitted Class Size:

11 students admitted

Webpage for Prospective Students:

<https://healthprofessions.missouri.edu/clinical-laboratory-science/about/admission/>

BHS in Clinical and Diagnostic Sciences

(Diagnostic Medical Ultrasound)

Resource Guide: Moberly Area Community College

Program Requirements

Courses listed here meet the program requirements for the Bachelor of Health Science in Clinical and Diagnostic Sciences with an emphasis in Diagnostic Medical Ultrasound. Course equivalencies do not necessarily reflect what other programs at MU consider to be equivalent courses towards a bachelor's degree.

University of Missouri (MU) Course	Minimum Required Hours	Moberly Area Community College Equivalency
College Algebra	3	MTH 140
College Chemistry I with Lab*	4-5	PHY 121
College Physics I with Lab*	4-5	PHY 181
Composition/Exposition	3	LAL 102
General Biology with Lab*	4-5	BIO 101
General Psychology	3	PSY 101
Human Anatomy with Lab	3	BIO 205
Human Physiology with Lab	3	BIO 209
Introduction to Diagnostic Medical Ultrasound	1	No Equivalency
Introduction to Statistics	3	MTH 160
Introduction to Sociology	3	SOC 101
Introduction to Research	3	No Equivalency
Medical Ethics	3	No Equivalency
Medical Terminology	3	HSC 171
Public Speaking	3	SPK 101

* Students who take science pre-requisites (anatomy, physiology, chemistry, physics and biology) at MU or similar university (4 year institution) get 1 point for each course (totaling 5% of the application).

Admission Requirements:

_____ 2.75 cumulative GPA on a 4.0 scale

_____ Composite ACT score of 22 or higher

_____ Meet program physical requirements

_____ A maximum of one outstanding core science can be taken during the semester of application

Admission Deadline:

February 1

Admitted Class Size:

21 students

Webpages for Prospective Students:

<https://healthprofessions.missouri.edu/diagnostic-medical-ultrasound/about/application/>

BHS in Clinical and Diagnostic Sciences (Nuclear Medicine)

Resource Guide: Moberly Area Community College

Program Requirements and Prerequisites

Courses listed here meet the program requirements and prerequisites for the Bachelor of Health Science in Clinical and Diagnostic Sciences with an emphasis Nuclear Medicine. Course equivalencies do not necessarily reflect what other programs at MU consider to be equivalent courses towards a bachelor's degree.

University of Missouri (MU) Course	Minimum Required Hours	Moberly Area Community College Equivalency
College Algebra	3	MTH 140
College Chemistry I with Lab	4	PHY 121
College Chemistry II with Lab	4	PHY 122
College Physics I with Lab	4	PHY 181
Composition/Exposition	3	LAL 102
General Biology with Lab	4	BIO 101
General Psychology	3	PSY 101
Human Anatomy with Lab	4	BIO 205
Human Physiology with Lab	4	BIO 209
Introduction to Nuclear Medicine	1	No Equivalency
Introduction to Research	3	No Equivalency
Introduction to Statistics	3	MTH 160
Medical Terminology	3	HSC 171
Organic Chemistry I	3	PHY 222 (CHEM 2130 and 2030)
Public Speaking	3	SPK 101

Admissions Requirements:

- _____ Completion of general education and program requirements
- _____ College sophomore in good standing, 2.5 cumulative GPA on a 4.0 scale
- _____ C- or better in all required coursework

Admission Deadline:

February 1

Admitted Class Size:

20 students

Webpage for Prospective Students:

BHS in Clinical and Diagnostic Sciences (Radiography)

Resource Guide: Moberly Area Community College

Program Requirements and Prerequisites

Courses listed meet the program requirements and prerequisites for the Bachelor of Health Science in Clinical and Diagnostic Sciences with an emphasis in Radiography. Course equivalencies do not necessarily reflect what other programs at MU consider to be equivalent courses towards a bachelor's degree.

University of Missouri (MU) Course	Minimum Required Hours	Moberly Area Community College Equivalency
College Algebra	3	MTH 140
College Chemistry I with Lab	4	PHY 121
Composition/Exposition	3	LAL 102
General Biology with Lab	4	BIO 101
General Psychology	3	PSY 101
Human Anatomy with Lab	4	BIO 205
Human Physiology with Lab	4	BIO 209
Introduction to Statistics	3	MTH 160
Medical Terminology	3	HSC 171
Public Speaking	3	SPK 101

Admissions Requirements:

_____ Successful completion of the program and prerequisite requirements

_____ College sophomore in good standing

_____ Minimum 2.5 cumulative GPA on a 4.0 scale

_____ C- or better in all required coursework

Admission Deadline:

February 1

Admitted Class Size:

15 students admitted

Webpage for Prospective Students:

<https://healthprofessions.missouri.edu/radiologic-science/about/application/>

BHS in Clinical and Diagnostic Sciences (Respiratory Therapy)

Resource Guide: Moberly Area Community College

Program Requirements and Prerequisites

Courses listed meet the program requirements and prerequisites for the Bachelor of Health Science in Clinical and Diagnostic Sciences with an emphasis in Respiratory Therapy. Course equivalencies do not necessarily reflect what other programs at MU consider to be equivalent courses towards a bachelor's degree.

University of Missouri (MU) Course	Minimum Required Hours	Moberly Area Community College Equivalency
College Algebra	3	MTH 140
College Chemistry I with Lab	4	PHY 121
College Physics I with Lab	4	PHY 181
Composition/Exposition	3	LAL 102
General Biology with Lab	4	BIO 101
General Psychology	3	PSY 101
Human Anatomy with Lab	4	BIO 205
Human Physiology with Lab	4	BIO 209
Introduction to Statistics	3	MTH 160
Medical Terminology	3	HSC 171
Microbiology	4	BIO 206
Public Speaking	3	SPK 101

Admissions Requirements:

_____ Minimum 2.5 cumulative GPA on 4.0 scale

_____ C or better in all program requirements and prerequisites

_____ Minimum of 8 observation hours with a practicing Registered Respiratory Therapist (RRT)

Admission Deadline:

February 1

Admitted Class Size:

16 at MU, 8 at St. Louis site

Webpage for Prospective Students:

<https://healthprofessions.missouri.edu/radiologic-science/about/application/>

BHS in Public Health

Resource Guide: Moberly Area Community College

Program Requirements and Prerequisites

Courses listed meet the program requirements and prerequisites for the Bachelor of Health Science in Public Health. Course equivalencies do not necessarily reflect what other programs at MU consider to be equivalent courses towards a bachelor's degree.

University of Missouri (MU) Course	Minimum Required Hours	Moberly Area Community College Equivalency
College Algebra	3	MTH 140
Composition/Exposition	3	LAL 102
General Biology with Lab	4	BIO 101
General Psychology	3	PSY 101
Introduction to Public Health	3	No Equivalency
Introduction to Sociology	3	SOC 101
Introduction to Statistics	3	MTH 160
Physical Science	3	Any Physical Science Course

Admissions Requirements:

_____ Successful completion of 60 hours prior to beginning the program in fall semester

_____ Minimum 2.75 GPA on a 4.0 scale

_____ B- or better in Introduction to Public Health

_____ C or better in Statistics course

Admission Deadline:

May 1

Admitted Class Size:

20 students admitted

Webpage for Prospective Students:

<https://healthprofessions.missouri.edu/bph/application/>

BHS in Health Science (Rehabilitation Science)

Resource Guide: Moberly Area Community College

Program Requirements

Courses listed meet the program requirements for the Bachelor of Health Science in Health Science with an emphasis in Rehabilitation Science. Course equivalencies do not necessarily reflect what other programs at MU consider to be equivalent courses towards a bachelor's degree.

University of Missouri (MU) Course	Minimum Required Hours	Moberly Area Community College Equivalency
Abnormal Psychology	3	PSY 250
College Algebra	3	MTH 140
College Chemistry I with Lab	4	PHY 121
College Physics I with Lab	4	PHY 181
Composition/Exposition	3	LAL 102
General Biology with Lab	4	BIO 101
General Psychology	3	PSY 101
Human Anatomy with Lab	4	BIO 205
Human Physiology with Lab	4	BIO 209
Introduction to Statistics	3	MTH 160
Lifespan Development	3	PSY 205
Medical Terminology	3	HSC 171
Public Speaking	3	SPK 101

Admission Requirements:

_____ Satisfy the MU Admission criteria and meet the following requirements:

_____ Minimum 2.5 cumulative GPA on a 4.0 scale in all undergraduate coursework

_____ Minimum 2.0 GPA in the most recent term/semester of coursework

_____ A C- or better in either an English 1000 or Math 1100 equivalency

Webpage for Prospective Students:

<https://healthprofessions.missouri.edu/radiologic-science/about/application/>

BHS in Health Science (Health and Wellness Services)

Resource Guide: Moberly Area Community College

Program Requirements

Courses listed meet the program requirements for the Bachelor of Health Science in Health Science with an emphasis in Health and Wellness Services. Course equivalencies do not necessarily reflect what other programs at MU consider to be equivalent courses towards a bachelor's degree.

University of Missouri (MU) Course	Minimum Required Hours	Moberly Area Community College Equivalency
College Algebra	3	MTH 140
Composition/Exposition	3	LAL 102
General Biology with Lab	4	BIO 101
Global Health	3	No Equivalency
Health Literacy Course	3	No Equivalency
Introduction to Statistics	3	MTH 160
Lifespan Development	3	PSY 205
Medical Terminology	3	HSC 171
Physical Science	3	Any Physical Science Course
Public Speaking	3	SPK 101
Additional Biological or Nutrition and Exercise Physiology Course	3	BIO 205, BIO 206, BIO 209

Admissions Requirements:

_____ Satisfy the MU Admission criteria and meet the following requirements:

_____ Minimum 2.5 cumulative GPA on a 4.0 scale in all undergraduate coursework

_____ Minimum 2.0 GPA in the most recent term/semester of coursework

_____ A C- or better in either an English 1000 or Math 1100 equivalency

Webpage for Prospective Students:

<https://healthprofessions.missouri.edu/health-sciences/bhs-in-health-science/>

BHS in Health Science (Leadership and Policy)

Resource Guide: Moberly Area Community College

Program Requirements

Courses listed meet the program requirements for the Bachelor of Health Science in Health Science with an emphasis in Leadership and Policy. Course equivalencies do not necessarily reflect what other programs at MU consider to be equivalent courses towards a bachelor's degree.

University of Missouri (MU) Course	Minimum Required Hours	Moberly Area Community College Equivalency
College Algebra	3	MTH 140
Composition/Exposition	3	LAL 102
Chemistry	3	PHY 120 or 121
Culture and Health Literacy	3	No Equivalency
Essential Tools for the Health Care Manager	3	No Equivalency
General Biology with Lab	4	BIO 101
Global Health	3	No Equivalency
Health Care Management	3	No Equivalency
Introduction to Statistics	3	MTH 160
Medical Terminology	3	HSC 171
Microeconomics	3	ECN 102
Public Speaking	3	SPK 101
Additional Biological or Nutrition and Exercise Physiology Course	3	BIO 205, BIO 206, BIO 209

Admission Requirements:

_____ Satisfy the MU Admission criteria and meet the following requirements:

_____ Minimum 2.5 cumulative GPA on a 4.0 scale in all undergraduate coursework

_____ Minimum 2.0 GPA in the most recent term/semester of coursework

_____ A C- or better in either an English 1000 or Math 1100 equivalency

Webpage for Prospective Students:

<https://healthprofessions.missouri.edu/health-sciences/bhs-in-health-science/>

BHS in Health Science (Pre-Professional)

Resource Guide: Moberly Area Community College

Program Requirements

Courses listed meet the program requirements for the Bachelor of Health Science in Health Science with a Pre-Professional emphasis. Course equivalencies do not necessarily reflect what other programs at MU consider to be equivalent courses towards a bachelor's degree.

University of Missouri (MU) Course	Minimum Required Hours	Moberly Area Community College Equivalency
College Algebra	3	MTH 140
Composition/Exposition	3	LAL 102
College Chemistry I with Lab	4	PHY 121
College Chemistry II with Lab	4	PHY 122
College Physics I with Lab	4	PHY 181
General Biology with Lab *	4	No Equivalency
General Genetics	4	No Equivalency
General Psychology	3	PSY 101
Human Anatomy with Lab	4	BIO 205
Human Physiology with Lab	4	BIO 209
Introduction to Statistics	3	MTH 160
Medical Ethics	3	No Equivalency
Organic Chemistry I	3	PHY 222 (CHEM 2130 and 2030)

*Must be a General Biology course for science majors

Admissions Requirements:

_____ Satisfy the MU Admission criteria and meet the following requirements:

_____ Minimum 2.5 cumulative GPA on a 4.0 scale in all undergraduate coursework

_____ Minimum 2.0 GPA in the most recent term/semester of coursework

_____ A C- or better in either an English 1000 or Math 1100 equivalency

Webpage for Prospective Students:
