ACADEMIC PREPARATION

BA	Illinois State University, BA, Magna Cum Laude, 1984
MA	University of Alabama at Birmingham, Clinical (Medical) Psychology, 1987
PhD	University of Alabama at Birmingham, Clinical (Medical) Psychology, 1990
Internship	Missouri Health Sciences Psychology Consortium, 1990
Licensure	Psychologist and Health Service Provider, State of Missouri, #01494, 1991 (currently in inactive status).
Board Certification	Diplomate in Rehabilitation Psychology, American Board of Professional Psychology, 1999

ADMINISTRATIVE APPOINTMENTS (all at University of Missouri)

Dean, School of Health Professions, 2013-present

Responsible for all school-wide operations, including budget planning and management, strategic planning, departmental and office operations, policy development, external relations and advancement.

Associate Dean, School of Health Professions, 2001-2013

Responsible for the Offices of Student Services, Research, Human Resources, Disability Policy and Studies, and space management. Created and developed a highly successful Bachelor of Health Sciences program and the Master of Public Health program. Participated as a principal in strategic planning for the School of Health Professions, the MU Health System, and the University of Missouri. Co-developed the *Caring for Missourians* initiative that resulted in a \$38m appropriation to Missouri universities and colleges to increase the health workforce in Missouri.

Director, Master of Public Health Program, 2009-2013

Interim Director, 2006-2009

Responsible for all program components, including strategic planning, budget planning and management, marketing and student recruitment, faculty and staff hiring, annual evaluations, curriculum development, student advising, development and public relations, accreditation, and

program expansion. Also responsible for collaboration and negotiation with stakeholder schools and colleges, and non-university partners.

Interim Chair, Department of Health Psychology, 2008-2011

Responsible for all departmental operations, including budget planning and management, strategic planning and goal setting, oversight of billings and collections, faculty and staff hiring and assignments, annual evaluations, mentorship for faculty on both tenure and clinical tracks, operations oversight, advocacy and collaboration within school and university and with other institutions.

Co-Director (with Karen Edison MD), Center for Health Policy, 2002-2009

Activities included grant and contract development and negotiation, strategic planning, public relations, annual summit development and implementation, providing talks and lectures on health policy, workshop development, policy analysis, policy brief development and writing, consultation to University of Missouri Health System leadership, staff hiring and assignments, annual evaluations.

Faculty Fellow, Office of Technology & Special Projects, 2000

Part-time fellowship in patents office. Activities included consultation to Director on collaboration with faculty, promotion of patent development, strategic planning and policy development for patents and intellectual property.

Director of Research, Department of Physical Medicine & Rehabilitation and Rusk Rehabilitation Center, 1996-2001

Responsible for promotion of research within department and rehabilitation hospital, supervision of grants manager, and implementation of didactic series on research for physiatry residents, psychology post-doctoral fellows, psychology interns, and faculty. Activities also included developing collaboration with other departments, colleges and schools within and external to the university, and representing department on research-related committees and initiatives.

ACADEMIC APPOINTMENTS (all at University of Missouri unless otherwise specified)

2001- present	Professor of Health Psychology, School of Health Professions Member of Doctoral Faculty, 2005-2014
2011 – 2014	Core Faculty Member, University of Missouri Informatics Institute
2002 – 2013	Professor of Public Affairs, Harry S. Truman School of Public Affairs
2000 – 2006	Adjunct Professor of Psychology, College of Arts and Sciences
2000 – 2001	Professor of Physical Medicine and Rehabilitation, School of Medicine
1998 – 2001	Adjunct Associate Professor of Community Health, School of Public Health, Saint Louis University
1996 – 2000	Adjunct Associate Professor of Psychology, College of Arts and Sciences

1996 – 2000	Associate Professor of Physical Medicine and Rehabilitation, School of Medicine
1992 – 1996	Adjunct Assistant Professor of Psychology, College of Arts and Sciences
1990– 1996	Assistant Professor of Physical Medicine and Rehabilitation, School of Medicine

FELLOWSHIP

Robert Wood Johnson Foundation Health Policy Fellow. Institute of Medicine, National Academy of Sciences, Washington, DC, 2000 - 2001

Fellowship in the Office of Senator Tom Harkin (D-IA). Primary responsibilities for Senate Health, Education, Labor, and Pensions Committee included hearing preparation, constituent meetings, legislation development, briefing the Senator, and policy analysis. Secondary responsibilities for the Senate Appropriations Committee activities. Principal legislation addressed Medicare policies, mental health parity, health care safety net, National Health Services Corps, Community Health Centers, rural health care, and patients' rights.

GRANTS and CONTRACTS

Principal Investigator/Co-Principal Investigator

Community Health Literacy Outreach Program. Health Literacy Missouri, 2010-2011, \$173,326.

Improving Quality and Controlling Cost in Missouri's Medicaid Program. Karen Edison MD and William Elder PhD, Co-Principal Investigators. Missouri Department of Social Services, Division of Medical Services, 2006-2009, \$1,362,761.

Missouri Health Equity Collaborative. Karen Edison MD, Co-Principal Investigator. Missouri Foundation for Health, 2006-2008, \$186,466.

State Planning Grant Project Director Support and Policy Workgroup Coordination and Facilitation. Karen Edison MD, Co-Principal Investigator. Missouri Department of Health and Senior Services, 2005-2006, \$116,572.

Confronting Health Care Disparities in Rural and Urban Missouri. Karen Edison MD, William Peck MD, Co-Principal Investigators. Missouri Foundation for Health, 2004-2006, \$355,432.

Missouri Arthritis Rehabilitation Research and Training Center (MARRTC). Jerry C Parker PhD, Principal Investigator. Sarah E Walker MD, Marian A Minor PhD, John Hewett PhD, Greg Worsowicz MD, Co-Principal Investigators. National Institute on Disability and Rehabilitation Research, 2003-2008, \$4,000,000.

Advisory Council Facilitation of the Missouri State Planning Grant: Working for an Insured Missouri. Karen Edison MD, Co-Principal Investigator. Missouri Department of Health and Senior Services, 2003-2005, \$105,224.

Juvenile Arthritis Care Coordination. Missouri Department of Health, 2002-2003, \$30,000.

Bridging the Gaps. Allen Heinemann PhD, Co-Principal Investigator. A supplemental grant to Missouri Model Spinal Cord Injury System for development of a book on the psychological and social research agenda for disability and rehabilitation. National Institute on Disability and Rehabilitation Research, 2002-2003, \$45,232.

Missouri Model Spinal Cord Injury System (MOMSCIS). Laura Schopp PhD, Michael Acuff MD, Co-Principal Investigators. National Institute on Disability and Rehabilitation Research, 2000-2006, \$1,800,000. Note: Principal Investigator transferred to Laura Schopp in 2004.

Missouri Rehabilitation Research Training Program (T32). National Center for Medical Rehabilitation Research, National Institutes of Health, 2000-2005, \$741,826.

Missouri Arthritis Rehabilitation Research and Training Center (MARRTC). Jerry C Parker PhD, Principal Investigator. Sarah E Walker MD, Marian A Minor PhD, John Hewett PhD, Co-Principal Investigators. National Institute on Disability and Rehabilitation Research, 1998-2003, \$4,000,000.

A Critical Review of Psychosocial Measures in Spinal Cord Injury Outcomes Research. Elena Andersen PhD, Co-Principal Investigator. American Association of Spinal Cord Injury Psychologists and Social Workers, 1998-2000, \$20,000.

Evaluation of a Consumer-Driven Personal Care System. Mary Clark RN MPH, Co-Investigator. Robert Wood Johnson Foundation, 1997-2002, \$150,000.

Evaluation of a Medicaid Managed Care Program for People with Disabilities. Mary Clark RN MPH, Dennis Kivlighan, PhD, Co-Investigators. MU Research Board, 1997-2000, \$37,924.

Missouri Model Spinal Cord Injury System (MOMSCIS). National Institute on Disability and Rehabilitation Research, 1995-2000, \$1,865,000.

Missouri Rehabilitation Research Training Program (T32). National Center for Medical Rehabilitation Research, National Institutes of Health, 1994-1999, \$830,244. Principal Investigator assumed 1997; original award to Susan P Buckelew PhD.

Missouri Managed Care System for Individuals with Disabilities. Medicaid Working Group to Missouri Medicaid, 1994-1997, \$269,190.

Early Interventions to Prevent Disability Among Children with Juvenile Arthritis. Julian F Thayer PhD, James T. Cassidy MD, Co-Investigators. Missouri Arthritis Rehabilitation Research and Training Center. National Institute on Disability and Rehabilitation Research, 1993-1998, \$430,000.

Reducing Disability in Fibromyalgia: Effects of Medication and Exercise Interventions. Marian Minor PhD, Robert Conway MD, Donald Kay MD, Greg Flaker MD, Co-Investigators. Missouri Arthritis Rehabilitation Research and Training Center. National Institute on Disability and Rehabilitation Research, 1993-1998, \$502,202. Principal Investigator assumed 1997; original award to Susan P Buckelew PhD.

Effects of Emotional Distress on Perceived Pain and Task Performance Among Patients with Rheumatoid Arthritis: An Experimental Analysis. William E Haley PhD, Supervisor. Arthritis Health Professions Traineeship, Arthritis Foundation, 1987-1989, \$34,500.

Co-Investigator

Rural Systems of Care for Children. Janet Farmer PhD, Principal Investigator. Mary Clark RN MPH, Ed Wright MD, Co-Investigators. Robert Wood Johnson Foundation, 1998-2001, \$450,000.

Use of Gabapentin in Painful Muscle Spasms Associated with Spasticity. Martin K Childers DO, Principal Investigator. Parke-Davis Inc, 1997-1998, \$14,732.

Cognitive-Behavioral Pain Management in Juvenile Arthritis. Michael A Rapoff PhD, Principal Investigator. Carol Lindsley MD, James T Cassidy MD, Nancy Olson MD, Co-Investigators. Clinical Sciences Grant, Arthritis Foundation, 1996-2000, \$188,782.

Psychological Response to Juvenile Rheumatoid Arthritis. Robert G Frank PhD, Principal Investigator. James T Cassidy MD, David E Goldstein MD, Co-Investigators. Missouri Arthritis Rehabilitation Research and Training Center, National Institute on Disability and Rehabilitation Research, 1988-1993, \$385,000.

Predicting Individual Differences in Pain and Functional Loss among Rheumatoid Arthritis Patients. William E Haley PhD, Principal Investigator. University College Faculty Research Grant, University of Alabama at Birmingham, 1985-1986, \$2,000.
