

## Stephanie A. Reid-Arndt, Ph.D., ABPP

### Curriculum Vitae

Dean's Office  
School of Health Professions  
508 Lewis Hall  
University of Missouri  
Columbia, Mo. 65211

Email: [ReidArndtS@health.missouri.edu](mailto:ReidArndtS@health.missouri.edu)  
Phone: (573) 884-6705  
Fax: (573) 884-8000

### **Licensure / Certification**

2006-present          Diplomate, American Board of Professional Psychology,  
Rehabilitation Psychology  
2000-present          Psychologist, Missouri License #2000167701

### **Education**

Ph.D. Clinical Psychology, Specialty in Neuropsychology, University of Arizona (1999)  
M.A. Clinical Psychology, University of Arizona (1995)  
B.A., Cum Laude, Honors in Psychology, University of California San Diego (1992)

### **Employment and Positions Held**

#### **Administrative Appointments**

2019-present          Senior Associate Dean, School of Health Professions, University of Missouri  
2013-2019            Associate Dean for Academic Affairs, School of Health Professions University of Missouri  
2018-present          Program Director, PhD in Health and Rehabilitation Science, School of Health Professions University of Missouri  
2011-2013            Chair, Department of Health Psychology, School of Health Professions, University of Missouri  
2007-2011            Associate Chair, Department of Health Psychology, School of Health Professions, University of Missouri  
2001-2009            Director of Adult Neuropsychology, Department of Health Psychology, School of Health Professions, University of Missouri

#### **Professional Appointments**

2019-present          Professor, Department of Health Psychology, School of Health Professions, University of Missouri  
2011-2019            Associate Professor, Department of Health Psychology, School of Health Professions, University of Missouri  
2011-2019            Joint Courtesy Faculty, Sinclair School of Nursing, University of Missouri  
2005-2011            Assistant Professor, Department of Health Psychology, School of Health Professions, University of Missouri  
2000-2005            Clinical Assistant Professor, Department of Health Psychology, School of Health Professions, University of Missouri  
1999-2000            Neuropsychology/Rehabilitation Psychology Post-Doctoral Fellow,

1998-1999 Department of Physical Medicine & Rehabilitation, School of Medicine, University of Missouri  
Neuropsychology Intern, Veterans Affairs Medical Center, Tucson, Arizona

## Honors

2019-present Fellow, American Psychological Association  
2017-2018 Fellow, SEC Academic Leadership Development Program  
2003-2017 Fellow, University of Missouri Interdisciplinary Center on Aging  
2008-2009 Participant, University of Missouri Leadership Development Program  
2006 Outstanding Faculty Award, University of Missouri, School of Health Professions  
2005 Supervisor of the Year, Missouri Health Sciences Psychology Consortium

## Research Funding

### Completed

2015-2018 Anesthesia Patient Safety Foundation  
***Does Optimized General Anesthesia Care Reduce Postoperative Delirium In Older Patients Undergoing Hip Fracture Repair?***  
Role: Co-Investigator (5% FTE) (PI: Quinn L. Johnson, MD, MBA)  
Direct Costs: \$150,000

2016-2017 University of Missouri Research Council  
***Usability Testing of the Kinect-based Fall Risk Evaluation and Feedback System.***  
Role: Co-Investigator (PI: Lorraine Phillips, PhD, RN)  
Direct Costs: \$9,997

2014-2017 Roger S. Williams Fund, University of Missouri School of Health Professions  
***Biopsychosocial and Interpersonal Factors Involved in Outcomes Following TBI.***  
Role: Principal Investigator (5% FTE)  
Direct Costs: \$67,233

2012-2014 University of Missouri Interdisciplinary Center on Aging  
***Framing Health: A Photovoice Intervention to Improve Quality of Life among Older Women with Cancer Undergoing Chemotherapy.***  
Role: Co-Investigator (5% FTE) (PI: Michelle Tefi, Dr.Ph.)  
Direct Costs: \$8,000

2012-2013 Susan G. Komen Foundation  
***Psychosocial support and counseling services for breast cancer patients in distress.***  
Role: Co-Principal Investigator (10% FTE) (PI: Jeanette Linebaugh RN, MSN, OCN)  
Direct Costs: \$45,106

- 2009-2013 Missouri Department of Health and Senior Services, Health Resources and Services Administration  
**Traumatic Brain Injury Implementation Partnership Project: Development and Assessment of a TBI Web-based Training Module**  
 Role: Principal Investigator (10-30% FTE)  
 Direct Costs: \$178,254
- 2009-2010 University of Missouri Interdisciplinary Center on Aging  
**Functional Abilities and Cognitive Test Data: A Study of the Ecological Validity of Neuropsychological Assessment in a Geriatric Population.**  
 Role: Co-Investigator (2% FTE) (PI: Brittany Allen, Ph.D.)  
 Direct Costs: \$2,000
- 2009-2010 University of Missouri Interdisciplinary Center on Aging  
**Tai Chi to Enhance Cognitive, Psychological, and Physical Functioning in Healthy Elderly Individuals.**  
 Role: Principal Investigator (10% FTE)  
 Direct Costs: \$8,000
- 2008-2010 Roger S. Williams Fund, University of Missouri School of Health Professions  
**Expressive Writing Following Traumatic Brain Injury: Effects on Psychological Health and Community Involvement.**  
 Role: Principal Investigator (10% FTE)  
 Direct Costs: \$13,408
- 2008-2009 University of Missouri School of Health Professions Research Catalyst Fund  
**Tai Chi Intervention for Stress and Cognitive Deficits among Female Cancer Survivors.**  
 Role: Principal Investigator (5-10% FTE)  
 Direct Costs: \$2,200
- 2008-2009 University of Missouri Interdisciplinary Center on Aging  
**Effect of TimeSlips on Communication, Neuropsychiatric Symptoms, and Quality of Life in Nursing Home Residents with Dementia.**  
 Role: Co-Investigator (8% FTE) (PI: Lorraine Phillips, Ph.D.)  
 Direct Costs: \$8,000
- 2007-2009 University of Missouri Research Board  
**Cancer-Related Stress and Cognitive Deficits.**  
 Role: Principal Investigator (10% FTE)  
 Direct Costs: \$16,491
- 2005-2006 Missouri Department of Health and Senior Services  
**Evaluation of a Brain Injury Early Referral Program.**  
 Role: Co-Principal Investigator (20% FTE) (Co-PI: Laura Schopp, Ph.D.)  
 Direct Costs: \$70,000
- 2004-2007 National Institutes of Health / National Cancer Institute (R03 CA108340-01)

**Predicting Positive Outcomes among Cancer Survivors: Individual and Social/Environmental Factors.**

Role: Principal Investigator (20-25% FTE)

Direct Costs: \$147,000

- 2003-2004 University of Missouri School of Health Professions Research Catalyst Fund  
**Predictors of Positive Outcomes Following Treatment of Cancer: Assessment of Individual, Medical, & Social/Environmental Factors.**  
 Role: Principal Investigator (10% FTE)  
 Direct Costs: \$2,200
- 2002-2005 US Department of Health and Human Services, Health Resources and Services Administration  
**Certification in Interdisciplinary Geriatric Assessment Program.**  
 Role: Consultant (2% FTE) (PI: Richard Oliver, Ph.D.)  
 Direct Costs: \$429,000
- 2001-2002 Alzheimer's Disease and Related Disorders Program, University of Missouri  
**Alzheimer's Caregivers' Perceptions of Participation in a Problem-Based Learning Group.**  
 Role: Co-Investigator (15% FTE) (PI: Sandra Matsuda, Ph.D.)  
 Direct Costs: \$30,000
- 2000-2001 US Department of Education  
**Creating Permanent Behavioral Health Access for Rural Missourians with TBI: Teleconferencing Applications for Improved Services.**  
 Role: Co-Investigator (10% FTE) (PI: Laura Schopp, Ph.D.)  
 Direct Costs: \$298,606
