School of Health Professions Teaching/Learning Facilitation Fund
FY2018

What is the Purpose of the Fund?

This fund is designed to promote faculty teaching efforts by supporting engagement in professional activities, or providing resources for course improvement. Examples of activities that would be appropriate for funding via this mechanism include participating in teaching/learning conferences or workshops, and obtaining consultation services to support course development. Other activities that clearly support and promote faculty effectiveness in teaching will be considered.

Who is Eligible to Apply?

Full-time SHP faculty, both non-tenure track and tenure track/tenured, are eligible to apply for these funds.

What is the Application Process?

Applications for this fund will be accepted on a continuous basis throughout the 2017-2018 Academic Year until the available funds have been fully utilized. Maximum proposal budget is $1,000.

Applicants must submit a 1-3 page proposal detailing the information below, along with a brief letter of support by the Department Chair:

- Applicant name and department affiliation
- Brief summary of activity
- Description of how the activity will enhance teaching/learning activities
- Budget
- Other Sources of Funding
  - Current balance of applicant’s department professional development funds.
  - Statement regarding Chair’s ability to provide departmental resources to support this request.

Proposals should be sent electronically to Gina Scavone (ScavoneG@health.missouri.edu). Questions may be directed to Stephanie Reid-Arndt, PhD (ReidArndtS@health.missouri.edu) or Gina Scavone.
